**Approval is subject to meeting the following condition(s):**

- Providing a copy of the **official completion certificate that awards your** Bachelor degree.

**Please Note:** This is not a formal Offer of Place and does not guarantee you a position in the above-named programme. This conditional offer is valid at the date of issue and the Auckland University of Technology has taken due care to ensure that the information provided is correct. However, any changes to policy or degree regulations that may occur after the issue date of this document may affect the terms of this conditional offer. The Auckland University of Technology reserves the right to amend or withdraw this conditional offer at any time before a formal Offer of Place is issued, and also reserves the right to request at a later date that you provide a certified copy of any document(s) supplied by you. Failure to provide these document(s) when requested may result in this application being suspended or any subsequent enrolment being terminated.

**What do I need to do next?**

You must provide us with any documents that will prove that you have met the conditions specified above.

If you applied online, the quickest way to provide documents is to login to [arion.aut.ac.nz](https://arion.aut.ac.nz) and upload your documents for our review (*Select Academic Details > Student Documents > Add Document*)

If you applied via an AUT Agent then your agent can upload the requested documents on your behalf. We recommend you contact them to confirm.

AUT accepts [certified digital academic documents](#) from selected online verification platforms. You can share these documents with AUT if your institute utilises one of these online platforms.

**Important information**

All programmes are subject to availability. We strongly recommend that you provide us with the required document(s) as soon as possible for our consideration and decision so that a formal Offer of Place can be issued as soon as possible.

This will give you time to make other arrangements, such as the payment of fees or applying for a valid visa to study in New Zealand. If all places in this programme are filled or it is too late to commence study before you meet the above condition(s), we will give you priority consideration for the next available intake.

If you do not meet the above condition(s), this conditional offer will be cancelled. Your application and documents will then be considered for another appropriate programme or if you have applied for more than one programme, we will assess these in your order of preference.

**Programme pathways, regulations and important dates**

Detailed information about your programme pathway regulations and important dates can be found in the AUT University Calendar available online at [www.aut.ac.nz/calendar](http://www.aut.ac.nz/calendar)

**Study visa and compulsory travel and medical insurance**

The New Zealand Government requires all international students to have the appropriate visa and medical/travel insurance for the length of their study in New Zealand. When you receive your formal Offer of Place, make sure you pay your fees early to allow yourself time to obtain the appropriate visa and medical/travel insurance to commence study. More information can be found on our website at [www.aut.ac.nz/international](http://www.aut.ac.nz/international)

You will find useful information and answers to commonly asked questions in our [step-by-step guide to AUT's applicant journey](#). Alternatively, you can contact us directly and one of our helpful and experienced advisors will assist you. If you are an AUT agent, please contact the International Centre by email at [int.app@aut.ac.nz](mailto:int.app@aut.ac.nz).
