Formal Offer of Place

We are pleased to advise you that your application for a place at the University of Waikato has been successful. You have been granted admission for the following programme of study.

Qualification Details

| | |
|-------------------------|--|
| Qualification: | Master of Cyber Security |
| Division: | Division of Health, Engineering, Computing & Science |
| Orientation Start Date: | 01 July 2024 |
| Programme End Date: | 02 November 2025 |
| Enrolment Status: | Full-time study |
| Location: | Hamilton Campus |

The University of Waikato supports **Saikat Baidya** being granted a student visa upon successfully meeting Immigration New Zealand requirements (refer to the Study Visa section of this offer). The University of Waikato has appropriately assessed the student's application and can confirm that an offer has been made in accordance with sections 533 and 534 of the Education and Training Act 2020, and is appropriate for the student's expectations, English language proficiency and academic capability. The University of Waikato has agreed to observe and be bound by The Education (Pastoral Care of Tertiary and International Learners) Code of Practice 2021. Copies of the Code are available from the New Zealand Qualifications Authority website at <https://www.nzqa.govt.nz/providers-partners/education-code-of-practice/>.

Additional Important Information

Prior to enrolment, you are required to provide your Bachelor's degree certificate and transcripts (either the original or verified documents).

You will need to discuss your paper selection with a course advisor prior to enrolment. Please note that actual completion times can vary based on student workload and paper selections.

You will need to achieve a B grade average in your taught papers and confirm a supervisor before progressing onto the research component. If you do not meet this requirement, you may be eligible to complete with a Postgraduate Diploma in Cyber Security.

This offer is for a 180 point Masters degree. The standard completion time for a 180 point Masters degree is 18 months. It may be possible to complete in a shorter period at the discretion of the Faculty. It is recommended that you familiarise yourself with the regulations for the degree, available at <https://calendar.waikato.ac.nz/regulations/masters/>.

The estimated tuition fees quoted are for the first 120 points (12 months) of the masters degree only. You are required to pay the balance of the fees before you can enrol in the final 60 points. Information regarding fees for the full 180 points of the programme can be found at <https://www.waikato.ac.nz/study/costs/tuition-costs-international>.

International Fees Information

| Description - Note fees quoted in NZ\$ | Amount |
|--|-----------------|
| Master of Cyber Security | 41730.00 |
| Medical & Travel Insurance fees | 850.00 |
| Student Services Fee B Trimester start | 943.00 |
| Total NZ\$ | 43523.00 |

Please note: Your final fees are based on the papers (units or modules) you choose in your Qualification when you enrol. The fee quoted in this offer is the indicative (or estimated) tuition fee for your qualification over one year of study based on 2024 fees. Our fees for future academic years are not available yet. If you are enrolling into a programme in a future academic year, use the above indicative fees as a guideline only.

You need to be aware that any changes you make to your choice of papers will result in a change to your tuition fee, and if you need to repeat a paper, you must pay the fee again. Our fees are subject to inflationary trends and Government policy and regulation. The University sets new tuition fees each year and you will be charged the new fee in each year you study. Your fee will not remain the same as when you started. We strongly recommend you refer to our [fees page](#) to understand more about this.

Important Start Date information

Orientation Week for this qualification starts on **01 July 2024**. All classes start one week later and you must have met all conditions, be physically here and enrolled in the specific papers approved at the Faculty before classes start. The compulsory orientation week allows you to finalise paper selections, payments, visa, medical and travel insurance, settle into accommodation and familiarise yourself with the campus prior to classes starting. You have compulsory events in this week that you must attend including the formal International Orientation. The programme is designed to give you all the practical information you need to adapt to life in New Zealand and at the University, and the opportunity to establish some social networks with other students and staff. For more information, please refer to our [Key University dates](#).

Important Accommodation Information

Accommodation applications are compulsory if booking On-campus or Homestay accommodation. Payment alone does not guarantee accommodation. Apply for accommodation at: <https://www.waikato.ac.nz/student-life/accommodation>

How to accept and pay fees

Accepting your offer

To accept your offer of place online, go to your [MyWaikato](#) student portal and click on "Respond to Offer". If you have applied through an education agent, please notify your agent that you wish to accept your offer and they will respond on your behalf.

Paying your Fees

At the University of Waikato, payment of tuition fees is the final confirmation of your acceptance. You should pay the required amount, which is the fee for the first year of study or the first programme of study listed on your pathway offer. Please ensure your student ID and full name are clearly shown in payment transfer documents. For more information, please refer to: <https://www.waikato.ac.nz/study/international/how-to-apply/how-to-accept-and-pay-fees>

To view and download your receipt, log into your [MyWaikato](#) and locate your receipt under **Finance > View my Receipts**.

Scholarship Information

The University of Waikato offers many scholarships. To apply, view available scholarships, regulations and closing dates you are encouraged to visit our scholarships information: <http://www.waikato.ac.nz/scholarships>

Study Visa

As an international student, you will need to obtain a student visa before you travel to New Zealand. If you are already in New Zealand you will need to ensure that you hold an appropriate visa for your programme of study prior to study commencement. Approval to enrol at the University of Waikato does not automatically qualify you for a student visa. We suggest you start the process of applying as soon as possible as failure to obtain the correct visa before your classes start may result in you being unable to study with us.

You can apply for your student visa before you pay your tuition fees. This only applies to students applying from outside New Zealand. For more information please refer to the INZ website.

Please note, students enrolling in a qualification that has a standard length of time of two years or more are eligible to apply for a Pathway visa from Immigration New Zealand (INZ). The University of Waikato supports these students being granted a Pathway visa upon successfully meeting the INZ requirements. For more information please refer to the Pathway Student visa page.

Kind regards
